Do you need the form completed? If so you could do and if you are uncomfortable about signing it you can sign my name and attach this email as proof I gave you permission.

Hi Debbie,
I attached the Agilent quick order for. If that does not open I faxed every thing to Purchasing.
Thanks for the PO.

Jim,

I wasn't able to open the quick order form. The PO number for this repair is CT51009582.

Purchasing,
Julie Nassif gave me the go ahead to get our Mass Spec fixed. I assumed it will be a repair. Attached are the order form, quote and quick order form from Agilent.

I have not yet set up time for the repair, waiting for your ok and PO number.

Thank you,

Jim Hanchett
